Mother's Day Fundraiser to Support MIHS Boys Soccer

We have two fun ways for you to support MIHS boys soccer this Spring while pampering yourself and your loved ones!

Get a head start on flowers for Mother's Day and order beautiful bouquets for \$35 each, straight from local farmers **Cha New Life Garden**. Order Form can be found on the MIHS Boys Soccer Booster Club website: www.miboysoccer.com. Our soccer players will deliver your flowers on Saturday, April 30th. **Delivery will be limited to Mercer Island addresses only.**

* Due to the high volume of orders, to keep things simple, color selection/style of each bouquet will be farmers' pick of an assortment of fresh tulips and other Spring flowers. Samples above, but yours might vary in colors and flowers.

Want some pampering? **Em Salon & Spa** has generously agreed to donate \$5 per visit per person when you mention MIHS Boys Soccer. Bring your friends and loved ones between March 15th to May 5th! For more info about Em Salon and their services, check out www.emsalonspabellevue.com. Appointments highly recommended. Em Salon has also agreed to donate \$5 for every gift card (with minimum \$40 value) purchased during the same period.

All proceeds from these two fundraisers will go to the MIHS Boys Soccer Booster Club to help with new uniforms and equipment, coaches' gifts, end of season parties, etc.

Any questions, contact Kim Chou at kim@kevinchoulegal.com. **Thank you for your support!**
